♄ **TIMELINE: THE CYCLES OF YOUR LIFE** *Progressed Chart Report*

TIMELINE gives you the ability to look at what's going on today, next week, next month, so you can be prepared! Take advantage of positive cycles and begin to balance challenging ones even before they occur. An important tool for any student or user of astrology. The report examines the transits and progression of planets as they relate back to your natal chart. The report is written in easy to understand language - an astrological background is not necessary. However for students of astrology, there are notes on the astrological activities.
